

# Engaging with our Community

## Help us plan for Cancer Services in your Region

- Are you a cancer survivor, patient or carer?
- Would you like to influence the way cancer services are provided in your region?
- We invite you to a Regional Forum to contribute your thoughts about the planning and delivery of cancer services that meet the needs of cancer patients, survivors and carers in the Grampians Region.

We will be “Engaging with our Community” through regional forums, focus groups and case studies and will be coming to a venue in the Grampians Region on the following dates:

Date	Venue	Time
11 March 2010	Chalambar Golf Club, Ararat	5.30 - 7.00
18 March 2010	The Education Centre, Stawell Regional Health	5.30 - 7.00
24 March 2010	GICS 804 Sturt Street, Ballarat	2.30 - 4.00
25 March 2010	Grains Innovation Park, Horsham	5.30 - 7.00
31 March 2010	Cooinda Disability Centre, Nhill	6.00 - 7.00
8 April 2010	GICS 804 Sturt Street, Ballarat	5.30 - 7.00

Other meetings are being planned throughout the region. Please contact us if you would like one in your area.

To register your interest and confirmation of venue OR if you are unable to attend a forum but would like to participate in a focus group or case study, please contact Laura Liversage at the University of Ballarat on 5327 9841 or email: [community@gics.com.au](mailto:community@gics.com.au)

“Engaging with our Community” is funded by GICS and is a collaborative project between:

**University of Ballarat**  
Learn to succeed

Connecting cancer care,  
driving best practice  
and improving patient  
outcomes
